Навыки

Agile, CoreAnimations, CoreData, Figma, Firebase, Git, GraphQL, Layout design, Multi-threading, MVP, MVVM, Objective-C, Realm, REST API, Scrum, swift, SwiftUI, UI/UX design, Unit-testing.

Опыт работы

• Ondoc

September 2022 - Present - iOS Developer

Swift/Objective-C project for hospitals and patients:

- Code refactoring
- Migration from Objective-C to Swift
- Performed code review of the team mates
- Working with the source code of the product: implementing new functionality and / or modifying the existing code according to the approved technical documentation, eliminating defects and debugging
- Communication with customers, QA and other SCRUM team members

Architecture: MVP + Routers

Multithreading: GCD

Networking: REST API

Tools: Xcode, Git, Firebase, UIKit

Achievements:

Meeting the deadlines in the development of complex screens with customisation

• Orion Innovation

April 2021 - August 2022 - iOS Developer

SwiftUI project for Medical Company:

- Worked closely with designers to define a rich iOS experience for the user.
- Supported the architect in improving the native iOS codebase.
- Explored new technologies and shared findings with the team.
- Followed the latest language, concepts, and best Apple coding practices for mobile apps.

• Hibercon Technologies

August 2020 - March 2021 - iOS Developer

Social Media Project:

- Wrote messages and map interfaces
- Created custom user interface and animations

- **Force Taxi**

December 2019 - August 2020 - iOS Developer

The app allows taxi drivers to register documents, receive payments, track statistics, receive notifications and communicate with technical support.

Образование

- **Informatic sytems**

Ufa State Aviation Technical University
1994-1999

Обо мне

- Highly skilled iOS developer with 3+ years of professional experience in dynamic and deadline-driven work environments
- Creative and driven to innovate any projects assigned
- Inspired by Apple's new technologies such as SwiftUI and Combine
- Passionate about making mobile apps that are fast, beautiful, easy to use
- Organized and collaborative
