- **Sofware Testing. QA Manual**

  EPAM SYSTEMS
  01.2022 - 07.2022

Обо мне

I am a proactive and detail-oriented QA manual tester. Combination of my experience in various fields, teamwork, quick learning ability, and dedication to meeting deadlines makes me a valuable asset to any QA team. I like to study and apply new technologies. I am excited about the prospect of contributing to new projects and furthering my career in software quality assurance.
