  VYATKA STATE UNIVERSITY
  2007/2013

- **DEVELOPER C#**

  GEEKBRAINS PROGRAMMING COURSES
  2019/2022

Обо мне

3+ years of experience in IT positions, specializing in full-stack development with a focus on Public Civil Service projects as well as the Financial sector.
Strong ability to develop well-maintained and structured code.
Previous experience working in the retail management industry.
I am seeking an opportunity to apply technical skills in a full-stack developer position within an innovative and fast-growing organization. Open for relocation worldwide.
