Опыт работы

- **Amigoweb**

  Jan 2021 - Dec 2023 - Front-end Team Lead

  • Led a front-end team of up to 4 developers, delivering all assigned business tasks, fostered rapid skill development for junior/middle developers and reviewed the code. Hired developers, interviewing 90+ candidates and selecting top talent.
  • Collaborated effectively with cross-functional international teams (up to 30+ members) including backend developers, managers, designers, etc.
  • Managed and developed 8+ international projects across diverse sectors. Designed project architectures, defining the technical stack and CI/CD.
  • Developed reusable tools for automated testing (reduced manual testing time by 40%), download management, chat translation (minimized server requests by 30%), project building & demos, module building, and documentation assembly.
  • Designed and prototyped user interfaces with Figma, Miro, and other tools, ensuring aesthetically pleasing, user-friendly, and accessible applications that adhered to WAI-ARIA principles.

- **WebStudio Pro**

  Dec 2017 - Dec 2020 - Front-end Developer

  • Developed 18 websites using React, JS, TypeScript, HTML, CSS and NGINX
  • Developed 1 cross-browser extension, mastered WebExtensions API.
  • Onboarded beginner developers

- **Self-employed**

  Jan 2017 - Nov 2017 - Web Developer

  • Delivered 5 projects using JS/HTML/CSS

Образование

- **• Master's degree (MBA)**

  Griboedov University
  2016-2019

GPA – 4.5/5

- **Bachelor's degree (BA)**

  Plekhanov University
  2012-2016

  GPA – 4.5 /5

Обо мне

Highly motivated Front-end Team Lead with 7+ years of experience. Proven ability to manage distributed teams (up to 4 people) and deliver results across 8+ international projects. Passionate about building high-performing teams, developing innovative products, and mental health advocacy.

- **Bachelor's degree (BA)**

  Plekhanov University
  2012-2016

  GPA – 4.5 /5
