Techno Educational Academy  
2023 July / Apr 2024

- **Frontend-Developer**

Nareg Charitable Foundation  
2022 Sep / Jun 2023

## Обо мне

I am an ambitious junior web developer with Experience in HTML5, CSS3 and JavaScript, as well as modern frameworks such as React JS, Node JS. I want to gain hands-on experience in a fast-paced environment where I can continue to learn and grow as a developer. In addition, I also have experience working with databases, including MySQL, which allows me to create full-fledged web applications that support data storage and processing.
