2017 - 2021

Техник-программист

• ПОИТ

БГУИР
2021 - зима 2025

Инженер-программист

Обо мне

Software Engineer specializing in web development with over 3 years of experience. Most used technologies – JS, TS, React, Redux, Saga, Git, Agile | Scrum. What drew me to web development is the ability to create innovative solutions and the constant opportunity for learning and growth. Ready to work with new technologies.
