Образование

• Economics

Tashkent State University of Economics | Night shift
2023-2027

Focused on the development of the digital economy and information technologies

• NodeJs Backend Developer

Najot Ta'lim
2023-2024

- Completed training in Node.js backend development, including JavaScript, TypeScript, and database management.
- Gained hands-on experience in building scalable server-side applications and mastering essential technologies for efficient backend solutions

Обо мне

I have built scalable application and systems using Express, Nest.js, PostgreSQL, and MongoDB as a skilled Node.js backend developer. I have experience setting up Nginx and deploying to DigitalOcean, and I'm dedicated to producing code that is effective, safe, and maintainable.
