## Обо мне

### Professional Summary

A highly motivated and detail-oriented QA Specialist with a strong background in both manual and automated testing. Extensive experience in finance, sales, logistics, and quality assurance across diverse industries. Proficient in various testing methodologies, including Selenium/Python automation, API testing, BDD/Gherkin, and test design techniques. Adept at working in Agile environments with expertise in tools like Postman, Jira, Testrail, and GitHub. Strong problem-solving skills, combined with excellent communication and organizational abilities.
