- **football**

Armenian State Institute of Physical Culture and Sport
2022-2026

Обо мне

Experienced Full-Stack Developer

With a strong foundation in full-stack development, I bring expertise in crafting captivating user interfaces and engineering robust backend solutions. Proficient in technologies such as Laravel, PHP, JavaScript, Vue.js, MySQL, PostgreSQL and more, I am dedicated to delivering high-quality code and optimizing data management.

Thriving on challenges, I am committed to excellence and contribute to the success of diverse projects. Let's connect and explore the possibilities of creating impactful web solutions!
