  2015-2019

Обо мне

I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. Experience covers front-end and back-end development of web applications using JavaScript and Typescript.
Senior developer with 5+ years of active work experience. My greatest passion is in life is using my technical know-how to benefit other people and organizations. I love to work hands-on and takes a lot of pride in engineering craftsmanship.
